Dear guests!

Regardless of the direction from which you are coming to Goslar, after the town sign, simply follow the signs to „Altstadt“ and then the signs to „Kaiserpfalz“. Arrived at the Kaiserpfalz, follow the residential street „Kaiserbleek“. After about 100m on the right, on the corner at Heerwinkel 1, is the main entrance to your apartment house. We will inform you of the access with your booking confirmation. You can find your apartment using the information signs in the house. Parking spaces are located in the courtyard of the property (through the gate entrance from the street „Kaiserbleek“).

*We wish you nice days with us in the
Holiday apartments on the Kaiserpfalz!
